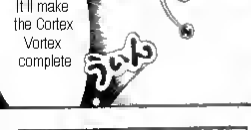
It'll make the Cortex Vortex complete
ういん

How far have we progressed today, N.Gin?



we can take over the earthling's hearts and make them do what ever we want to, only by pushing this switch!

As long as the Master Power Stone stays in the generator

At the worst case we'll need at least 25 Power Stones to brainwash the earthlings
WHAT!?
Then we can't tu n t on yet?!
Umm but in order to brainwash the whole Earth we need more Power Stones and their powers
This is a problem
